

LIVE

IN

LOVE

Each life is like a day's march in the pilgrimage. Make complete use of your talent and march forward to pitch your tent nearer the goal when the darkness falls. Do not waste a single moment in idling or loose living. Live in the Presence, in fear and humility. Live in love and service.

SATHYA SAI SCHOOLS AROUND THE WORLD

FUTURE OF SATHYA SAI EDUCATION

A photograph of a school sign for Sathya Sai School. The sign is white with a light green border and is mounted on a light green wall. It features the school's name in Thai and English. The Thai text is 'โรงเรียนสัจจกานี' and the English text is 'SATHYA SAI SCHOOL'. The sign is flanked by two golden finials. To the right of the sign is a blue wave-like decorative element. The background shows a green fence and trees.
